Colours displayed on this colour card are a guide only and have been matched as close as possible to production standards under daylight conditions. Due to the nature of the printing process some degree of colour and gloss level variation may occur. Where more than one finish is available product colour may vary. We recommend that you use production line prepared samples for final colour selection or approval.

Stocked Products (S) and Made to Order Products (O) are current as at color card printing. Stocking Policy may change over time and without notice. Please check with your Zintl® representative to ensure you have the latest product stock information.
